

Chapter O Campout and Rally

There is a change to how to make camping reservations this year. Lady Bird Park has gone to an automated system. They are using Reserve America for their camping reservations. The fee this year is \$40 a night and a one time reservation fee of \$7.00 (paid to Reserve America). The reservation fee is non refundable. Reservations can be made up to 12 months in advance. If you have to cancel you should make the cancellation 3 days prior to your targeted arrival. There is a \$3.50 cancellation fee. All of this is spelled out on the City of Fredericksburg website. Before making your reservation please visit the Fredericksburg website at

<http://fbgtx.org/802/Camping-Reservations>

View the new site numbering. You will notice the sites have been renumbered from what we are accustomed to.

Normally Chapter O and our friends camp in sights 1 through about 20. We normally have a couple of picnic tables set up around sites 6/7 or 8/9. If you are camping come and join in on the fun. If you are not a camper drop by and just say Hi. There are some fun rides for the early arrivals. Many of the Chapter O folk start arriving around Wednesday. All you have to do is let us know you are there to join in on the bluebonnet fun rides.

If you have an extra large RV there are additional sites near the park office that are flatter and have drive through access. The drive through sites are numbered 71 through 90.
